Elite Contracting Services, USA is a top contracting company based in Staten Island with projects in Brooklyn, Staten Island and New Jersey. Our contracting services range from renovations to add-ons and extensions in houses, condominiums and businesses. Whether you are seeking a general contractor to manage your entire project for your home renovation or you need a specialist to handle individual aspects of the job, we are known for doing Elite work no matter what the job size.

When it comes to #DoingEliteWork, call Elite Contractors, USA.

 1 (917) 473-3377

Elite Contractors is a family owned and operated, fully licensed and insured contracting company that employs its own staff and manages, coordinates and directs our team of skilled craftsmen for each project. Clients work one-on-one with our CEO/Founder Tim Mugavero from conception to completion on every job site. By tastefully transforming interior and exterior structures into elegant and welcoming spaces throughout the tristate area, we live up to our name.

Fully licensed and insured, we handle all commercial and residential contracting needs.
