TIRED OF CHASING YOUR CLEANING COMPANY?

If You Have to Double-Check the Cleaning, It's Not Working

Here's what we hear from businesses fed up with their last cleaning crew:

- Cleaners don't show up or skip parts of the job
- Trash cans full, floors dirty, supplies always low
- No updates, no checklists, no proof of work
- You're stuck handling complaints from staff or tenants
- Spotty cleaning puts your reputation at risk
- You can't trust they'll fix things when there's a problem

WHAT MAKES GERMSMART DIFFERENT

We Don't Just Clean, We Follow Through

Most cleaners wipe things down and move on.

We build a plan, follow a checklist, and show you the results.

No guessing. No chasing. Just clean, every time.

Real-Time Reporting

Get photos, checklists, and updates after every visit.

You'll always know what was cleaned and when.

Built for Compliance

We follow your facility's protocols — from restrooms to regulations.

Perfect for medical, fitness, and office spaces.

Always Accountable

Need to reach us?
You can.

We respond fast and fix problems without the runaround.

No-Risk First Clean

Your First Cleaning Is Backed by a 100% Satisfaction Guarantee

We know switching cleaning companies can feel like a gamble. That's why we guarantee your first clean.

If you're not happy, we'll make it right — no extra cost, no excuses.
