...We Promise!

**asset – we treat it that way.** Great Green Cleaning and Maid Service is Insured, Bonded, Affordable, Reliable, Trustworthy, Professional, Experienced, Earth Friendly, Non-Toxic. Committed to your 100% satisfaction, Guaranteed.

Our Custom House Cleaning, Housekeeping & Maid Service is the best Solution.

**Our customers are professional intelligent people with full lives** who are too busy to spend their valuable time on tasks that can be delegated to other service professionals. Our full range of extraordinary services are way beyond simple cleaning. Most other services do basic tasks. We offer a full service Support Staff for All your housekeeping, office cleaning and organizing needs. We even offer Emergency Services for Flood Remediation, Mold, Soot and Bed Bug Cleaning and Clutter Removal.

Laundry, Ironing, Pet Care, Move In Cleaning, Event Service, Post-Construction Cleaning and more...

**Just providing excellent House Cleaning isn't enough! We really do it all.**

In fact we'll get it done for you, or recommend a company we trust. The environment you live and work in is so important to us that we always clean green, and use HEPA Filter Vacuums. We believe when your space is clean and orderly you're at your best, and you spend your time doing what you do best. Our professional maids and house cleaners provide impeccable cleaning and support services for people with more pressing things to do with their time. Go ahead, spend time with your loved ones, finish that book, Practice the piano, write your thesis, create your next masterpiece, or take your dog for a walk. ***We'll be there for you, We Promise.***
