CALL TODAY FOR YOUR CONSULTATION! (718)-494-2200

Our Specialty

Staten Island Dentist, Dr. Mariana Savel, DDS specializes in treating patients with fear and anxiety of dentistry. The whole spectrum of services is available, from root canal treatments to full mouth cosmetic restorations.

Our Staten Island Dental Practice

Dr. Mariana Savel, DDS combines traditional dentistry with an alternative approach, utilizing natural relaxation techniques, making the entire process a painless and enjoyable experience.

With a dental office conveniently located on Staten Island, New York, Dr. Mariana Savel, DDS offers personalized consultations, a no-waiting policy in a relaxed, stress free environment with state-of-the art dental technology including, panoramic x-ray, which emits the lowest radiation exposure of any dental equipment available today.

We welcome all inquiries about restorative and cosmetic dentistry. To best understand your dental needs we recommend scheduling an appointment for a consultation.

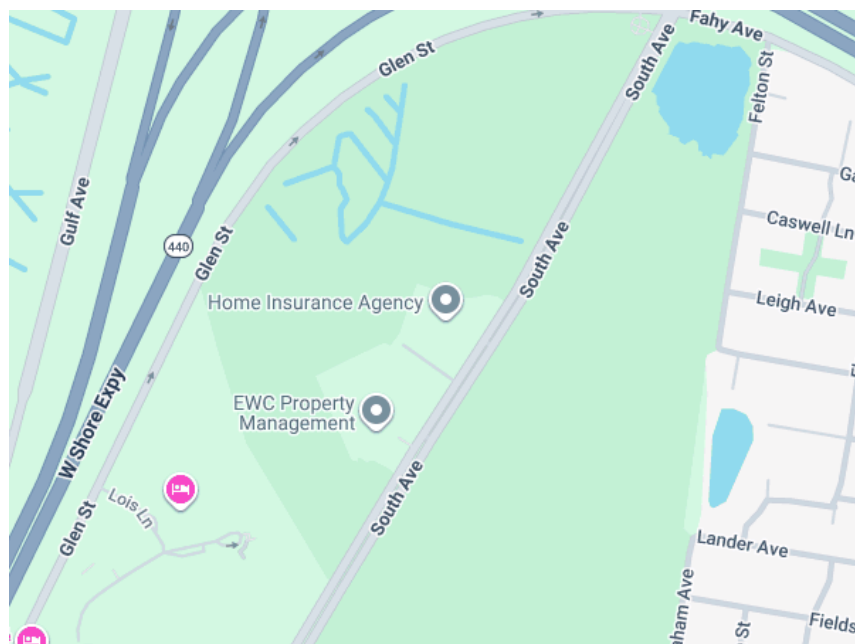

We are very proud to announce that [Dr. Mariana Savel, DDS](https://www.opencare.com/dentists/staten-island-ny/#tc24630097598) (<https://www.opencare.com/dentists/staten-island-ny/#tc24630097598>) has been exclusively selected as a winner of Opencare's Patients' Choice Awards 2016 and has been recognized as one of the top Staten Island Dentistry practices.
