TRUST OUR EXPERTISE

Over 23 Years Of Experience

Personalized Cleaning & Disinfecting Services For Your Business

Chief Cleaning NYC is a small commercial cleaning company owned and operated by Matthew & Stephanie Brashier, a husband and wife born and raised on Staten Island.

Scheduled Service For A Continual Clean

Keep your workforce safe with daily, weekly, or monthly services.

Tailored Programs For Your Workplace

Each business and office has different needs and requirements.

Don't wait. Take the next step toward a cleaner, safer

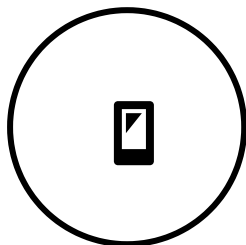

We offer personalized cleaning and disinfecting programs for every business. We work with you to customize your cleaning strategy to your exact needs.

Regular, scheduled cleaning is hassle-free and reduces safety risks, time waste due to illness, and helps recover lost profits.

HOW IT WORKS

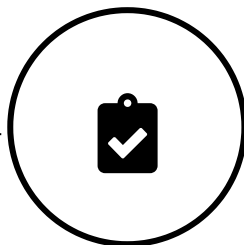

Planning & Process

A clean fresh appearance is more inviting for customers, which helps a business retain and increase its load of clients. It's easy to get started today!

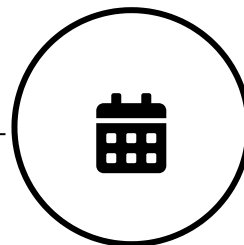

Get In Touch

We offer each client friendly service and expert consultation.

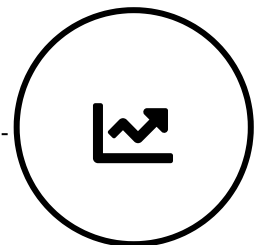

Strategy

We create a custom cleaning and disinfecting plan for your business.

Schedule

We work with your schedule to disinfect at a convenient time.

Work Safely

You can stop worrying about cleaning and get back to business!
