We offer complimentary consultations for new patients without insurance, including initial examinations and x-rays.

We also accept major insurance plans and provide several financial options. Learn more by speaking to someone from our team.

For over 20
years, we've
been providing
award- winning
dental care

Gentle Dental is pleased to feature one
of the truly important recent advances
in modern laser dentistry—the
Waterlase® system. This uses laser-
energized water to accomplish the
work of traditional drills, virtually
eliminating the pain and discomfort
associated with past dentistry.

PATIENT REVIEWS

Rosenellie B.
Best place ever!

★★★★★

Honestly the best place ever! Clean, friendly, knowledgeable. From the desk, to the assistants, dentist. From start to finish they are one point. I cannot say

Jeanelle A.
I am overly pleased

★★★★★

MI have now found my new general dentist office. I am overly pleased with my first visit for service at their office. The office itself is nicely renovated which

Luz S.
Excellent service

★★★★★

Excellent service. I have been their patient since 2003. I recommended must of my family and some friends all this years. I feel like they're part of my family too

Lidin G.
Very pleasant service

★★★★★

They are very true to appointments. Very pleasant service, easy new patient forms. Everyone was very helpful and I think I found my new go to dentist. Great service

one bad thing about them.

screams cleanliness and organization.
