Residential Electrical Solutions for Westchester Homes

Looking for a residential electrician in Irvington, NY, or nearby? We specialize in home electrical repairs, ceiling fan installation, electrical panel upgrades, and home generator installation in Westchester. Enhance your property with landscape lighting design, outdoor house lights installation, or LED lighting installation. Need electrical wiring services for a renovation or home theater wiring? Our electricians near me in Westchester handle it all. From GFCI outlet installation to whole house surge protectors, we prioritize electrical safety in Westchester for every homeowner.

ave never experienced such organized, fair and great work
o work with their hearts and are all great guys!

They showed up on time (having called to confirm) with a new fixture he had
He was terrific.

Patricia D.
