Mr. Endi and his team were phenomenal to work with and made the whole experience efficient and enjoyable. My family and I own quite an old house, built over a 100 years ago and have had a number of nightmare contractors who have left our house worse for wear.

Endi was not ...

I had a great experience working with ETG Contracting! The team is professional, reliable, and truly cares about quality. Every step of the project was handled with attention to detail and clear communication. They completed everything on time, kept the worksite clean,

and ...

Have him gut renovated my house, happy with the results! Very fast communication and friendly! Highly recommend!
