Tired of Spending Your Weekends **Cleaning**  
**Instead of Living Them?**

Between work, the kids, and everything you carry on your shoulders, cleaning almost always ends up at the bottom of the list.

And when you finally have a moment... you're already exhausted.

Maybe this sounds familiar:

 You spend your few free moments cleaning instead of resting

 Your home never feels truly clean—just "good enough"

 You come home so tired that you can't even enjoy your own space

 You feel guilty when you choose rest over cleaning

**And let us tell you something important: it's not lack of organization—it's too many responsibilities.**

## Your Home Should Give You Calm, Not More Stress

At SiCleaning, we understand what it feels like to carry everything on your shoulders.

That's why we take care of the deep cleaning—so you can reclaim your time, energy, and peace of mind.

**It's not just about making it look clean.**

**It's about making it feel different:**

 Lighter

 Fresher

 Truly yours

 Because asking for help is also a way of taking care of yourself.

## Why Winter Is the Clean

for a Deep

When doors and windows stay closed, your home needs extra care to stay healthy and fresh.

AMERICAN LUNG ASSOCIATION

Indoor air can be **2-5x more polluted** than outdoor air during winter months.

When doors and windows stay closed to keep the cold out, dust, allergens, and germs get trapped inside your home.

Without proper ventilation, indoor air quality drops—and your family breathes it all in, day after day.

A professional deep clean removes what you can't see—but can definitely feel.

## A Professional Deep Clean Removes:

## Breathe Easier. Live Healthier. Start Fresh This Winter.

Our Winter Deep Cleaning service tackles every corner, so your home feels lighter, fresher, and safer for your family.

WHO WE ARE

## Meet the Woman Behind Cleaning Service

At Sicleaning, we don't just clean homes — we care for them with intention, respect, and heart.

For over 12 years, we've been helping women and families across Staten Island come home to spaces that feel calm, fresh, and truly taken care of. We believe a clean home isn't about perfection — it's about peace of mind, comfort, and breathing easier at the end of a long day.

**The Heart Behind Sicleaning**

Hi, I'm Raquel, founder of Sicleaning.

I started this company because I know how powerful it feels to walk into a clean, peaceful home after a long day. For me, **cleaning has always been more than a service — it's an act of care.**

*"We understand how busy life gets. Between work, kids, and everything in between, cleaning often becomes another thing on your never-ending list. That's where we step in — so you don't have to choose between rest and a clean home."*

With over 12 years of hands-on experience, I personally oversee every job to ensure each home receives the same level of attention, respect, and quality I would expect for my own family. I lead with dedication, integrity, and a deep understanding of what women truly need from a cleaning service: **trust, consistency, and results you can feel.**

Sicleaning was built by a woman, for women — and that care shows in every detail.

## Why Women
