More Services

DOT Violation Removal

Quick and hassle-free sidewalk violation removal with full NYC DOT compliance.

Licensed & Insured

Fully certified and insured contractors giving you peace of mind on every project.

Quality Workmanship

Trusted by thousands of NYC property owners for residential and commercial sidewalk work.

Your Trusted Sidewalk Company In NYC

New York City sidewalks see more wear and tear than almost anywhere else in the country. From constant foot traffic to city inspections, property owners need reliable solutions that last. That's where Eden Sidewalk Contractors comes in.

For over two decades, we've repaired cracked sidewalks in Queens, handled DOT violations in the Bronx, replaced concrete slabs in Brooklyn, and completed full installations in Manhattan. Our work spans the five boroughs, and every project is done with quality, safety, and compliance in mind.

We don't just fix sidewalks, we manage the entire process. From securing permits to meeting DOT standards, we make sure your sidewalks are safe, durable, and up to code. That's why New Yorkers consistently choose us as their trusted partner for all sidewalk repair and concrete needs.

Got Questions? We've Got Answers!

[Am I responsible for sidewalk repairs in front of my property?](#)

Yes. In most cases, the property owner is responsible for maintaining and repairing the sidewalk adjacent to their building, even though it's public property. This includes fixing cracks, trip hazards, and uneven sections to comply with [NYC Department of Transportation](#) (DOT) standards.
