# Plant Specialists - Expert Garden & Landscapers in Manhattan

Over half a century of green spaces: transforming New York City rooftops into lush urban retreats!

## New York City Landscape Design

Since 1972, Plant Specialists have been leading landscapers in Manhattan, specializing in rooftop gardens, townhouse landscaping, and custom garden installations across NYC. Our landscaping services include bespoke design, expert installation, and year-round maintenance — trusted by clients throughout Manhattan, Brooklyn, Queens, and beyond. Whether you need rooftop patio design, residential landscaping, or expert garden care, our team delivers elegant outdoor solutions tailored to your vision. As experienced landscape contractors in New York, we transform outdoor spaces into stunning, functional environments.

# Rooftop Gardening in NYC

If you've been searching for a team to help you transform your patio or rooftop garden, you've found the right team. We offer a full spectrum of expert services—from design and installation to advanced plant care and ongoing garden maintenance.

We're not just a plant specialist team—we're artists and craftsmen who take pride in the details. Whether it's a green roof, terrace, interior plantscape, or backyard oasis, each project reflects our passion for excellence.

## Outdoor Spaces

We create outdoor spaces where timeless elegance meets innovation, blending nature with modern design to elevate your lifestyle.

Our award-winning team includes every kind of landscaper needed to bring your vision to life: horticulturists, designers, builders, and ongoing care experts. We offer tailored gardening services and irrigation systems to support your landscape's long-term health and beauty.

## Garden Designers

Our bespoke, unique garden designs, garden lighting and garden Irrigation are just a few of many areas of expertise at Plant Specialists

Your investment is enhanced through thoughtful design and exceptional care. From dramatic city views to tranquil green spaces, we bring refined style to every outdoor setting.

### Customer Testimonials

"We have a terrace that we love to use year-round, and Plant Specialists has helped us with it for years. The team there has helped us with every aspect of it from decking to irrigation to containers to lighting to furniture to plant health—and of course, the overall design. I can't recommend this company enough. Incredibly talented and caring people totally focused on delivering the best service to their customers."
