WHAT OUR PATIENTS SAY

“ ★★★★★ Excellent service, starting from the front desk receptionists (Angel and Patricia), their caring nurses, SW Jessica, assistant Dr. Charlene Cruz, Dr. Andrea Perez herself, all her office staff are very kind and professional. They make me feel listened to, cared for and I trust them with my health. As for waiting time, I rather wait and have my issues taken care in a proper and compassionate manner so I don't mind waiting but with all honesty and fairness, I have never had to wait a long time. Highly recommended... ”
