## Our Turn-Key One Stop Model

With being in business for over 20+ years, we have created a stress-free, simple process that reduces costs, and brings an all in approach to renovating a kitchen, bathroom, or interior without the need to bring in multiple architects and designers. We have everything in the house.

[The Process](#)

## Eliminate All Of the Insanity

Our pricing will not change unless you are the one making the changes. If we provide a quote, that's what you get. Our flat pricing, is a way to keep your project within budget and on time, without having to increase for foreseen costs.

### Aritha Anwana

*"I asked Singh for a quote for a complete kitchen renovation, and he was very affordable. He and his team were great to work with because they were highly professional, understandable, and courteous. Extremely*

### Andy B

*"Recently hired them to do my staircase in my home...I choose them based of the positive reviews and it was the best decision they did an incredible job and Mr Singh himself would not be satisfied until it was to our liking ....will be hiring them*

### Chase Winland

*"I recently purchased a co-op in Queens and wanted to do a complete bathroom renovation, install a new kitchen floor, and complete a few other, small projects around my condo. Singh not only provided a reasonable*
