I am so happy I went to Dr. Hecht and his team. They not only held my hand and comforted me throughout my procedure but they called me everyday to see how I was feeling. Dr. Hecht also called me to see how I was feeling that same night. I have never had a dentist who truly took the time before, during and after to check on my well being. I highly recommend Dr. Hecht and his amazing team to everyone. It was the best dental experience I have ever had!
