Contractor

SEE OUR WORK (PROJECTS.HTML)

## Complex Electrical and Fire Alarm Services

Mikoma Electric is a licensed electrical and fire alarm contractor in the City of New York. We offer you complex electrical services and fire alarm solutions for your project. Our team is composed of

### Commercial

Our reliability as commercial electricians is proven through projects ranging from hospitals to startup office spaces. From wiring to lighting - we have you covered.

electricians and fire alarm specialists with New York experience gained through a range of commercial and residential work. We work closely with architects, designers and project managers to provide the best electrical service.

## Residential

Our portfolio includes remodeling projects of townhouses and apartments. By working closely with your designer we are able to provide custom made electrical installation of the highest quality.

## Fire Alarm

A dedicated team of fire alarm specialists makes sure your investment is well protected. Fire alarm installations are failproof and made according to New York City rules.
