Accepting Most Insurance Plans

Get the most out of your insurance plan when you choose us. Our staff makes working with your provider fast and convenient.

Communicating With Ease

Understanding your treatment options, their costs and the benefits of each alternative is simple with our consultative services.

Innovative Treatment Plans

We partner with the most cutting-edge materials and service providers so we can offer our patients the best options.

A Doctor with a Gentle Touch

Dental-office anxiety? Children? It's never a problem as Dr. Abitbol's warm, affable chairside manner takes the stress out of every visit.

Restorative & Cosmetic

Take pride in your smile. We help with cosmetic treatments, implants and full-mouth reconstruction.

Same-Day Dentistry

Life happens, we are committed to taking care of your dental needs same day.

Sleep Apnea

Our treatment directed at patients suffering from Obstructive Sleep Apnea, CPAP Intolerance and TMJ/TMD and Craniofacial pain and dysfunction.

What people say about us

Amazing experience! Excellent bedside manor! Very minimal wait. Very clean & efficient! Using the most advanced and updated equipment in the dentistry field! Definitely recommend this place!

Golde Shtesl

My experience was very comfortable. All the staff members were extremely supportive and caring. Starting from the front desk receptionist who greeted me to the dental hygienist and especially the doctor. If you are like me and are afraid of visiting the dentist try smile by design.they will make you feel at ease.

Diana Gosteva

Why We Are The Best Dentist In Brooklyn?

Are you searching for the right dentist in Brooklyn area? Our Dentistry is a full service family dental office in Brooklyn, New York that is a one stop shop for anything and everything dental. From carrying the latest technologies to having an in-house lab, We are the dental clinic that you want to go to and have all of your dental needs covered.

We know that people have hundreds of questions when it comes to dental coverage. From the catalog of services offered, to the tools and equipment used, to the new technologies that have advanced dentistry and to navigating the process from procedure to payment, we know that a trip to the dentist's chair seem extremely daunting. But, here we want to take away all the mystery from every dental visit and remove any hesitation you might have about every aspect of any procedure you might get here in our office. Maintaining good oral hygiene and taking care of your teeth should be a top priority in everyone's life. And, the more you become involved and the better informed you are, the more that mystery and hesitation will go away. Our 'customer first' policy has helped us involve our customers into the process of choosing the right dental procedures that are right for them.

Here are some common questions to help you feel more informed about dental services in Brooklyn.
