When you book a cleaning with us, you're planting a forest. We're honored to support reforestation through One Tree Planted as an integral part of our business model. Together, we are helping our planet one tree at a time.

### CUSTOMER REVIEWS

# What people are saying

Excellent customer service and my cleaner, Cary, has been truly a blessing. So glad i found them. Will continue to use this cleaning company and recommend them to others.

**Ty Rosa**

Done was absolutely amazing! I am a clean freak and was very impressed with all of the things that they found to clean in my home! My professional even cleaned my windows, door frames, and baseboards. I highly recommend them!

**Steven I.**

Amazing company. Cleaned my whole entire house. When i got home house looked brand new. Smelt great. Will be using your services every month thank you again.

**Monica D.**

AMAZING SERVICE...my only issue is they need to fix the app. I had to contact customer service to reschedule my cleaning and I couldn't tip my cleaning person.

**Aaron Bennet**

Love getting extra hands to clean the home. My helper went above and beyond by tidying up.

### **James Butler**

Visiting the house during COVID is appreciable. The cleaning was done exceptionally well. My home looks new after the process got over. Great!

### **Frank Cooper**

A company with a heart!! Amazing work, great team A+++++, I'm very happy with the work they did and the price was affordable! Thank you ❤️

### **Jesse Kelly**

After 5 months of living outside of NYC, it's the best decision I've made having them to clean my house when I moved back. I recommend them to everyone I know.

### **Serenity Adams**

You guys deep cleaned my kitchen and bathrooms today. The major reason I needed a deep clean was to remove grime from the cabinets and stove. I couldn't submit rating in the app, please give my regards to Mariia, she's above the 5 stars.

### **Steve Skorkin**

Because of the pandemic, we went months without a home cleaning. We finally felt comfortable going back to Done, partly because of their policies to take anti-Covid precautions, and partly because they are just really good. Our apartment feels soooo much better now that it is clean.

Anastasia K.

I am very impressed with DONE cleaning service. My place has not been cleaned for 2 months. It was disgusting and dusty. I booked cleaner, it was super easy to do it. The lady was right on time and very nice. She was able to get everything cleaned in two hours.

Jerry Watsano

Very efficient. The most responsive customer service experience I've ever had.

I'm very particular about my home and OCD about cleaning but they followed all of my instructions. I subscribed for a bi-weekly service after first cleaning. Also I like that the company plants trees.
